

**Computer Systems**

**Week 3 Assessment Tasks**  
**SIT111 - Task 3.4P**

1.
  - a) All related work was completed in the first week and second week and no work was delayed or missed.
  - b) As mentioned, I did not miss the lectures and did the work that day and took notes in the lessons
  - c) Because of the extra work, sometimes it was not possible to manage time
  - d) Tried to manage my time again, and stopped some unnecessary extra work
  - e) Mainly the time management part, and it is possible to lose interest in studying and should be taken care of
  - f) I hope to manage my time well, work with a clear mind and do well in my studies
2.

I hope to do better than before and attend lectures and do well in this module and other modules as well.
